# About Us

1974

RK College was founded in 1974 as Pragati Vidyalaya (Progressive School), as a result of the collective action of several Tiwaripur and other local school teachers. Narendra Singh, Ramsevak Singh, Pannalal Singh, Pratap Singh to name a few.

1981

UP Board granted Permanent Recognition to Pragati Vidyalaya as a Junior High School. It was operating on Temporary recognition before this time. Additional class room facilities were added to start high school.

1990

Late Shivraj Singh retired in Tiwaripur, and started looking after the school. He became the Manager after untimely passing away of our cousin, Narendra Singh. He spent fulltime overseeing the school operation and working with the teachers to increase school standards and enrollment of students. Both slowly improved.

2000

With relentless efforts of Narendra Singh, he won a Grant from UP Government to start Girls Inter College, and the high school name was changed to ***RK Girls Inter College.***

The Junior high school continues to operate in the name of ***Pragati Purva-madhyamik Vidyalaya.*** Construction of North & South Wings started on receiving the 1<sup>st</sup> installment of the grant, and the enrollment peaked to 320 in few years.

2012

RK Girls Inter College recognition by U.P. Govt.
